Our New Neighbors year was launched in fine fashion at the Kick-Off in September. We had the largest attendance of any General Membership meeting/luncheon, and it was great to meet so many of our newest members, including an unprecedented number of men. I hope that you discovered lots of great activities to participate in. And, several suggestions were offered for additional interest groups, and we look forward to possibly launching some new pursuits.

There are several special events in the month of November that you will want to check out –

For our golfing couples - The 3rd Annual Homecoming - New Neighbors versus the NN Grads - will be held on Sunday, November 9. This annual competition pits our current golfing couples against our graduates in a very fun and funny event.

And the November All-Member Reception is scheduled for Wednesday, November 5, in the Plantation Ballroom beginning at 5:00 pm. Like our All-Member Luncheons, Receptions are a great way to meet recent transferees and learn more about Skidaway Island and Savannah. The guest speaker at this pre-holiday event will tell us about the Telfair Art Guild, a true Savannah jewel.

NOTE: An integral part of The Landings Club’s tradition is that members, their families and guests will always be neatly attired and will maintain elevated standards that are customary for athletic and dining experiences. While club casual attire is generally acceptable, untidy or sloppy attire is not permitted. Please learn more about the Club’s dress code so that we will all remain compliant.

We are aware that some Activities are filling quickly. Not only has our organization grown substantially in recent months, but more members are participating. We are currently trying to create additional opportunities for participation and encourage you to become involved. If you have any Activities you feel could be successful and are willing to help implement a trial run, please contact us. The more smiling faces willing to lend a hand, the more fun for everyone. *In order to be fair to all New Neighbors, a check received before the start date for sign-up cannot be honored. The activity chair will make arrangements for the check to be returned or shredded as requested.
*Activities charging a fee to attend will have a "no-refund" policy. If there is a wait list and you can be replaced, you will be allowed to cancel.
*A *CP* notation next to an activity indicates that The Landings Club policy on non-member usage must be observed. See the club rules link on the NN website. Please become familiar with the Club Rules so that all NN activities remain in compliance.
* As stated in the Club Rules, activities are not allowed to bring refreshments into club facilities.
*You must have a completed Hold Harmless form on file with New Neighbors to participate in any activity.
**BREAKFAST CLUB**

When: Wednesday, November 19

Cohen’s Retreat, a newcomer to the dining scene, is our destination for November. It is an easy drive along Skidaway Road with free parking. Noted for its lunch and dinners, Chef Kirk Blaine is providing a special breakfast menu for us. You may select the ever popular crab and asparagus quiche, Meyers Rum French toast, or classic eggs Benedict. Cohen’s Retreat, once an elderly Men’s home, has been transformed into an artisan village of culture, shopping, design, art, and dining. Its rooms are brimmed full of clothing, jewelry, and designer items for the home and will be decorated for the holidays. A shopping delight! Creative Director Chad Mabry will give a presentation as we finish our breakfast on the background of Cohen’s Retreat and its present day focus on artists and community. Come see why Cohen’s Retreat is becoming a popular destination in Savannah.
