

## Tips to Create your New Neighbor Website Account

This process will guide an enrolling New Neighbor to create their account, pay for their membership, fill out their personal profile, and indicate activities of interest.

- From your browser, connect to ***landingsnewneighbors.com***
- Landing on the public access page search for and click on ***Join Us***
- Landing on the Membership page scroll down and fill in your personal information.
- Your email address will be your user name.
- ***No two members may share the same email address/user name***
- Create and confirm your password and continue filling out your information.
  - Individual information; address, phone, email, etc.
  - Personal selection of activities you are interested in
  - Confirm acceptance of the Hold Harmless Agreement.
- ***Proceed to Next Step***
- A single New Neighbor Membership is \$60
- ***Proceed to Checkout***, and fill out billing and credit card information.
- ***Place the Order***
- You will see the confirmation of ***Order Received***
- Tap on **Your Account** and you will be directed to Membership Details
  - This provides status, start and expiration dates.
- Click on ***Back to Dashboard***
- Landing on your ***My Account*** page you can logout.
